MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

AUGUST 13, 2013

Proclaim August 2013 as Child Support Awareness Month

The Los Angeles County Child Support Services Department (CSSD) is the largest locally administered child support agency in the nation, utilizing a workforce of more than 1,500 dedicated professionals to manage approximately 300,000 cases, constituting roughly 25% of the total child support caseload in California.

The month of August has been designated as Child Support Awareness Month in the State of California, which affords an opportunity to educate the public about the importance of child support collections and recognize the work of child support agencies to improve the well-being of children and families.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Proclaim August 2013 as "Child Support Awareness Month" in Los Angeles County, honoring the Child Support Services Department and its employees for improving the quality of life of children and families of Los Angeles County.
